Matt Porcaro, Athletic Director

Athletic Office

Welcome back everyone.

Athletics in Central MA are set to begin at the end of next week. Soccer, Field Hockey, Cross Country and Golf have been cleared for the Fall Season. Registration at Tahanto opened Labor Day, and will continue through next Wednesday, September 16. There will be no middle school sports this year. We will also hold off on athletic fees. They will be due after our teams are set through tryouts, and before the first contests.

The plan is to have tryouts begin on Friday, September 18, however, because of logistics, they may start on the following Monday. Athletics will look much different this year. There will be many different modifications put in place from various state health agencies to keep our athletes safe. These modifications will be strictly enforced in practices and games.

We are doing our best to get these kids involved and engaged out on the playing fields. This season will be different than any other we have seen. It is 100% about getting the student athletes out there to have a positive experience and get back to some sort of normalcy.

The schedules still are yet to be completed. However, we do know that contests will begin the week of October 5th. Practice times for the our sports are still being worked out. However, when it comes to games and practices, if you are remote, or at school, families will have to get their athletes to school for practice, home games, or the bus for away games. For golf, you will need to get your child to the course.

There will be more updates coming to you next week. Plus bear with us as we do our best to have a successful Fall season.

Thank you,

Matt Porcaro

Athletic Director
