Moving from Preschool to Kindergarten can be a challenging transition, with many questions about what to expect when students get to elementary school and begin a full day of learning. We're excited to offer you a chance to find out more about what kindergarten is all about at a short program called Parent Camp.

**Parent Camp is designed for both parents and children.**

While parents are learning more about what and how they can support our young learners at home, students will have a chance to play with activities and meet some of the teachers they will see on the first day of school!

**More information will be coming in April, but in the meantime, please be sure to add Parent Camp to your calendar.**

Our elementary PTO organizations at Berlin Memorial School and Boylston Elementary School will provide a pizza dinner. **Thank you, BES & BMS PTO!**

We'll also have goody bags to send home with you with supplies and games to enjoy at home.
