

### School Lunch Service – SY2020-2021

Berlin-Boylston Regional School District will be offering school breakfast and lunch to students five days a week, even as they learn remotely from home! The same pricing for breakfast and lunch will be reflected: *Elementary Lunch \$3.00 High School Lunch \$3.25 Breakfast \$1.75, reduced lunch \$.40, reduced breakfast \$.30.*

#### Cafeteria Meals:

Our favorite breakfast items and school lunch entrees will continue to be served, however, they will be prepackaged and served on a grab-and-go basis. The meal packaging will be single-use and disposable to ensure safe clean up.

Payment for breakfast and school lunch will be contactless, therefore we will no longer be accepting any forms of cash or check. All payment must be completed online through Unibank or MySchoolBucks. Students must know their student # so their account can be accessed when coming through the breakfast and lunch line. A distance of six feet must be kept in the line at all times.

Dining areas for lunch will be spaced six feet apart, and thoroughly sanitized with an EPA certified sanitizer in-between lunch periods. These sanitizers are safe for food contact surfaces where meals are being served and consumed.

#### Remote Meals:

Three frozen precooked meals will be offered to each student to reheat at home for the days they learn remotely. Cooking directions will be clearly labeled on the containers. The meals will require a working conventional oven and parental supervision to reheat. These containers are NOT microwave safe and most require 11-13 minutes of cook time in a preheated oven to 375 degrees F.

Students learning in school on Monday and Tuesday will be offered a one day pick up of three meals on Wednesdays from 12pm-1pm. Students learning in school on Thursday and Friday will be offered a one day pick up on Mondays from 12pm-1pm.

Please complete the form below --

Orders for remote frozen meal pickup need to be placed by noon the day before each scheduled pick up (Friday at 12pm for Monday Pickup). Payment will occur at pick up via the student's account number.

#### Location:

Parents from all three schools should pick up their remote meals at Tahanto Middle-High School.

There will be signage at each location to direct parents to pick up location.

Pick-up will happen at the designated pick-up location ONLY. You will not be allowed to enter the building.
