

21-22 STUDENT/STAFF DAILY SCREENING CHECKLIST

In an attempt to minimize the risk of COVID-19 exposure, we are requesting a community commitment that will rely on the honor system and social responsibility from everyone.

Please do not send your child to school and contact the school nurse if your child is ill, has any of the symptoms listed below, has been exposed to someone who has tested positive for COVID-19, and/or you have administered fever reducing medication in the past 24 hours.

SYMPTOMS: Has your child experienced any of these symptoms in the past 24 hours?

- Fever (100.0° Fahrenheit or higher), chills, or shaking chills**
- Difficulty breathing or shortness of breath**
- New loss of taste or smell**
- Muscle aches or body aches**
- Cough (not due to other known cause, such as chronic cough)
- Sore throat, *when in combination with other symptoms*
- Nausea, vomiting, or diarrhea *when in combination with other symptoms*
- Headache *when in combination with other symptoms*
- Fatigue, *when in combination with other symptoms*
- Nasal congestion or runny nose (not due to other known causes, such as allergies) *when in combination with other symptoms*

- *A Single Symptom (top 5 symptoms) requires a PCR/Rapid Molecular covid test (not rapid antigen) or alternate diagnosis from a healthcare provider before being able to return to school.*
- *Combination of Non-Bold symptoms(bottom 5 symptoms), they also require a PCR/Rapid Molecular covid test (not rapid antigen) or alternate diagnosis from a healthcare provider before being able to return to school.*

Vaccinated individuals should follow the testing and quarantine response protocols if they are experiencing symptoms in bold. These individuals may also seek clinical guidance to assess the need for PCR testing if they have other symptoms on this list.

[DESE/DPH Protocols for Responding to COVID-19 Scenarios — SY 2021-22](#)

CLOSE CONTACT: Has your child been identified as a close contact ?

- A close contact means within 6 feet for >15 min, cumulatively over 24 hours to anyone with a known diagnosis of COVID-19 in the past 14 days.

TRAVEL: Has your child travelled?

If they have no symptoms, they can come to school. However,

- If your vaccinated/unvaccinated child has travelled internationally in the past 14 days, please contact the school nurse to review the [Travel Guidelines](#) and testing recommendations.

**** The nurse will inquire about your child's vaccination status and advise accordingly.**
