

Berlin-Boylston Regional School District

Special Education Parent Advisory Council

Our mission:

To work toward the respect, understanding, support, and appropriate education for all children with special needs in our community

What we do:

- Advise the school district on:
 - Development and operation of special education programs
 - Parent and teacher training need
 - Policy development
- Create a network of parents of children with special needs and a forum to share information
- Promote communication and programs within the community to encourage understanding, acceptance, inclusion and compassion toward all children
- Offer informational forums to parents, educators, students and professionals
- Provide information to SEPAC members on local, state and national organizations, councils and groups
- Assist members in locating information related to Special Education law
- Support the special education staff with volunteers and resources where possible
