

# **The “Gift of Giving Tree” Is Back**

**Again this year, the BES Health Office would like to assist children within the BES community. There will not a “Gift of Giving Tree” placed in the front lobby of our school this year, thanks to COVID-19! But, we will not let the virus stop us from meeting the needs of children and their families within the BES community. There will not be any tags (like in the past) that list warm articles of clothing, boots, bedding, and educational/fun toys requested by their families. Why? Because, we must follow all safety measures to ensure the health of all of the staff & children at Boylston Elementary School.**

**There are 10 families (that I am aware of) that need our help. This is an awesome opportunity for our school to come together and purchase gift cards for these families. Some suggestions are as follows:**

- Price Chopper**
- Chefees Restaurant**
- Target**
- WalMart**
- TJMaxx**
- Amazon**
- Shell Gas**

**Please return the gift card in an envelope (with the type of gift card/amount of that gift card) listed on the outside. If you address the envelope to me, I will “equally” distribute the gifts amongst the 10 families, as best I can.**

**Please note the deadline for all gifts to be returned is Tuesday, December 15, 2020. I will arrange a no-contact pick-up station.**

**THIS PROGRAM IS STRICTLY CONFIDENTIAL.**

**Please contact Mrs. Fayne Sullivan, BES Nurse, at 869-2209 if needed.**

**THIS IS A GREAT WAY FOR OUR SCHOOL COMMUNITY TO UNITE AND HELP OTHERS @ BES.**

**BES would like to thank you in advance for your continued support.**
