

October 12, 2017

Mr. Stephen Pusateri, Facilities Manager
Berlin-Boylston Regional School District
215 Main Street
Boylston, MA 01515

Dear Mr. Pusateri,

We can confirm that, to our best knowledge and belief, no asbestos containing materials were used in the construction of the renovation and expansion of the Boylston Elementary School in Boylston, MA.

Sincerely,

A handwritten signature in blue ink, appearing to read 'L. Scott Dunlap', is written over a blue circular graphic element.
