

THANKSGIVING HOLIDAY

The holidays are right around the corner. While these are usually a joyful time for many, the holidays can be stressful and burdensome for those experiencing financial difficulty. With the help of a local church, we are happy to help with your Thanksgiving Holiday meal. If you are interested in a Thanksgiving Food Basket, please complete the form below return it to the Nurse's Office by November 6th or contact Nurse Ana. All information is kept confidential.

Respectfully,
